

ENTERPRISE PRODUCTS, LLC.
EXCEEDING EXPECTATIONS

Medical Assembly

Base Pay: \$12 - \$14 Hourly

Employment Type

Full-Time

Why Work Here?

"Great work environment, with a lot of opportunities for growth. Pays well in the industry w/ a great benefits package."

We are currently looking to hire 1st shift medical assemblers in the Twin Cities Metro area. These positions are contract to hire and we are offering competitive pay and benefits! Interested applicants can apply by sending an update resume OR their name and phone number.

Job Description:

Candidates will be trained to assemble products for the medical industry, operate machines that produce a variety of parts and inspect parts under a microscope. Ideally we are looking for somebody with 6 months of related experience-but we are very open to entry level candidates as well who are eager to learn. We also require a High School Diploma OR a GED.
